- Price:  
Hard Copy - \$125 each. (18" X 24") printed on HP banner gloss paper (300dpi resolution)  
PDF: \$300.  
Larger sizes available upon request – price may vary  
These maps include the following data:
1. Each pin location is color coded to indicate the type of mill – Plate mills, Compact strip mills, and Conventional Hot mill.
  2. The listing below the map is organized by parent company, location, and specific mill and includes 66 mills.
  3. The listing indicates the width of each mill.
  4. The listing indicates the nominal production capacity, if available (published or disclosed by the company).
  5. The listing indicates the grades of steel rolled by each mill - carbon, stainless, silicon, titanium, nickel, zirconium.
  6. Each record in the listing is color coated by country location.
  7. Current Plant Status (To Be Constructed, Under Construction, Active, Idle, Closed)

How to Order:  
By Email: [mriebman@aimmarketresearch.com](mailto:mriebman@aimmarketresearch.com) or  
By mail: AIM Market Research 119 Berwyn Rd. Pittsburgh, PA 15237  
Please include the following information:  
• The number of maps required  
• Your mailing address.  
• Credit card number and expiration date and CCD  
• If ordering by mail – include a check along with your mailing address
